Comments

“ It was my honor to know Marilyn. She was such a delight to be with, upbeat and smiling even when it would have been easier to be grumpy. I got to know Marilyn when we served together as Stephen Ministers, something very close to her heart. I will always remember her style and grace, her generosity and intelligence. Even though she will be missed greatly by her friends and family I know she is now with God. Although she has left us, part of her will remain in the hearts of many left here on earth. Thank you Marilyn for being you and sharing yourself with us.
