“ Please accept my entire family's condolences. Velma and my dad spoke on the phone every day, several times a day for the past few years. She was such a sweet lady and will be greatly missed by Bob. With sympathy, Denise and Robert Rogers

“ My dear Aunt Velma always loved her family. From my earliest memories she was always open and kind about sharing stories about our families heritage. Being my mom's twin sister, I always felt there was something very special about their relationship. Aunt Velma knew how to share her joy. I remember a time at the farm. There just happened to be a wheel barrow in the barnyard. My aunt popped in the wheelbarrow and my mom pushed her around as the two of them laughed and laughed, Seeing these two sisters enjoying life in the same place where they grew up will forever be a memory that I cherish. With much love, Cheryl
