“ Wilma is my first cousin, My name is Martha Ferry Crider. I live in Indiana and remembered the times we went to Mich. Wilma and I used used to try to hide from my little sister,who was only two years younger. We thought we were big. So very sorry for her passing.

“ My deepest sympathy in the loss of your dear mother. I have so many special memories of growing up on Payeur road and all the time our families spent together. She was there by my mom's side every minute through my dad's funeral, which meant more to my mom than you could ever know. She was truly a special lady and gift to all of you, her family and friends. Thinking and praying for all of you at this difficult time, may you find comfort in knowing she is truly at peace now.
